

Original kit design by Linda Sheets
www.blue-eyedponystudio.com

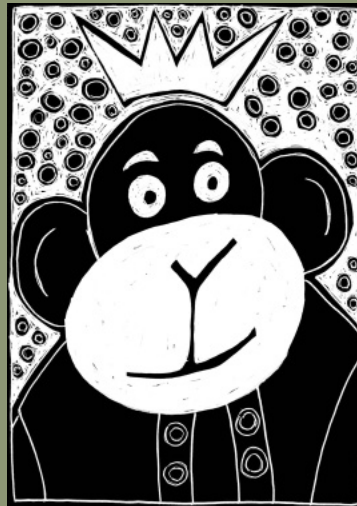

Ampersand Scratchbord™
Scratchbord™ is a clay coated hardboard panel that has been lightly coated with India Ink that can be scratched away to expose the white clay underneath. Easily reveal stark contrast, tonal value, and fine detail using traditional scratchboard tools.

(1) Transfer the pattern with chalk

(2) Trace design with scratch knife

(3) Start scratching away the black till you're happy!

for more Scratchbord™ products or go to **AmpersandArt.com**

For added fun, customize your design with bright colors and accessory choices. For example: Add a pet's name to the dog tag or make a funny hat instead of a crown.

KITSM Sunshine Monkey

KITHB Happy Buds

KITOE One is Enough

KITSD Zoey Dog

KITBD Bertie Dog

Linda Sheets Scratchbord Kits

These adorable new kits are designed for children (over 12) and adults alike, offering an affordable and fun primer on the irresistible art of scratchboard. Each kit comes with a 5inx7in Scratchbord™ panel from Ampersand, a scratch knife, pattern and step-by-step instructions to complete the project in black and white. Great for classroom use or a perfect gift either as a kit or a complete work of art. **Not intended for children under 12.**

| NUMBER | DESCRIPTION | EACH | CS |
|--------|------------------------------|--------|----|
| KITCM | Crowned Monkey, 5inx7in kit | \$6.50 | 12 |
| KITSM | Sunshine Monkey, 5inx7in kit | \$6.50 | 12 |
| KITSD | Zoey Dog, 5inx7in kit | \$6.50 | 12 |
